IUM SUPPORT FOR ALUMNI EVENTS

After the successful IUM Alumni Networking events organised by alumni in **New York** and **Zurich,** we would like to encourage you to organise your own get-together in your city or region.

It offers the opportunity to network with other alumni and make valuable contacts that can be of value both professionally and for your personal network.

To simplify you the organisation of your own event, we assist you with the following support offer:

Before and during the event

- Creating an event flyer
- Creating a list of alumni in the selected area (estimation of potential attendees)
- Sending invitations and reminders per email to all alumni in the selected area.
- Sharing the event on the alumni platform as well as on LinkedIn
- Assisting you with your event planning by giving advice regarding the date, time, venue, program etc.

After the event

- Creating a posting on social media to share impressions of the event, mentioning the organizing alumni ambassador.
- Including the event in our alumni newsletter

Depending on how many alumni you manage to bring together and if certain conditions are met, we can also provide a financial contribution.
If you would like to know more about the conditions, please contact us.
