Benefit Plans A, C, G and N

Outline of Medicare Supplement Coverage – Cover Page

This chart shows the benefits included in each of the standard Medicare Supplement plans. Every Company must make Plan "A" and either Plan C or F available for those eligible for Medicare prior to January 1, 2020 and either Plan D or G available for those eligible for Medicare on or after January 1 2020. Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and High Deductible F.

Basic Benefits

Hospitalization: Part A co-insurance plus coverage for 365 additional days after Medicare benefits end.
Medical Expenses: Part B co-insurance (generally 20% of Medicare-approved expenses), or co-payment for hospital outpatient services.
Plans K, L and N require insured to pay a portion of Part B co-insurance or co-payments.
Blood: First three pints of blood each year.
Hospice: Part A co-insurance.

[1]Plans F and G also have a high deductible option which require first paying a plan deductible of $2,340 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.
