<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,340 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

Base monthly premium (please refer to pages 2-7): \_\_\_\_\_

ACH Discount (applied to base premium): \_\_\_\_\_

Household Discount (applied to base premium): \_\_\_\_\_

**Premium Quote (base premium minus discounts):** \_\_\_\_\_

\* We reserve the right to make changes to the premium discount structure. If a change to the discount structure occurs to your policy, it will affect all policies we issue like yours.

\*\* The household premium discount will be removed if the other Medicare supplement policyholder whose policy status entitles you to the discount no longer resides with you. However, if that person becomes deceased, your discount will still apply. This premium change will occur on the billing cycle following the date we learn your eligibility has ended. Household is defined as a condominium unit, a single family home, or an apartment unit within an apartment complex.

## **Premium Information**

We, CompBenefits Insurance Company, can only change the renewal premium for your policy if we also change the renewal premium for all policies that we issue like yours in this State. No change in premium will be made because of the number of claims you file, nor because of a change in your health or your type of work.

If you are rated as age 65 or older, this is an attained age rated policy, which means that you will increase based on age. Your attained age premium increase will go into effect on the first monthly renewal date which falls on or follows the policy annual anniversary date. The premium increase will be based on your age attained on or before the last day of the renewal calendar month. A premium change will not be made more than once in a 12-month period.

However, if you enroll prior to age 65, you will remain in the same age category for the duration of your policy.

Premium discounts may be applied or discontinued based on eligibility.

## **Disclosure**

Use this outline to compare benefits and premiums among policies.

## **Read your policy very carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

## **Right to return policy**

If you find that you are not satisfied with your policy, you may return it to:

CompBenefits Insurance Company  
Attn: Medicare Enrollments  
P.O. Box 14168  
Lexington, KY 40512-4168

If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments less any claims paid.

## **Policy replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

## **Notice**

This policy may not fully cover all of your medical costs.

Neither CompBenefits Insurance Company nor its agents are connected with Medicare.

This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult the "Medicare & You" handbook for more details.

## **Complete answers are very important**

When you fill out the application for the new policy, be sure to truthfully and completely answer all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
