

Dear Figtree Church

For your encouragement and prayer, we look forward to a soft launch for our **Mandarin Fellowship** at our **Figtree Anglican Church** site on **Sunday, 1 October 2023 at 1pm**.

The day is auspicious as it is also Chinese National Day, an annual public holiday celebrated in the People's Republic of China.

This initiative has been prayerfully underwritten by members of the FAC Lead Team since January 2023 and by our Mandarin-speaking LifeGroup for many years.

Our dear sister, **Anny Cao**, who is a long-term member of FAC, is leading this initiative. With her husband, Jianbo, and their family, she has hosted this LifeGroup for some years. We have seen a number of heart-language Mandarin speakers make a dedicated commitment to Jesus as Saviour and Lord through this ministry.

Anny has undertaken to bring a growing Mandarin-speaking fellowship out of her family home into the Figtree Anglican Church building on Sunday afternoons for fellowship and food, from Sunday 1 October 2023. I shall be meeting with Anny regularly in her role of oversight in this growing ministry.

Please (continue to) give thanks and pray for, this initiative. We long to soft launch this blessing from God in a small but significant way.

Robin Kinstead
Senior Minister
Figtree Anglican Church
