

# Upgrade Your Floor Today!

Promotional volume pricing available.

CasinoTech's Dedicated CPI HUB

[Click Here](#)

CasinoTech is a licensed distributor and certified repair center for CPI. Check with your sales representative for more details.

## Why CPI?

- CPI & CasinoTech keep you in the game with World-class currency validation and cash management for the floor and backroom. CPI can connect all payment devices to software monitoring and analytics.
- Over 3 million SC Advance Bill Validators sold! This top seller is connected and future-ready. Still a great solution for processing cash payments even as the industry evolves to cashless and mobile payment acceptance.
- Easitrax Connect. Access Real-Time Data and alerts. Your Casino can receive live updates on machine performance so you know for sure your players are enjoying a friction-less game experience! Mobile and desktop responsive.
- Integrate with any Slot, any system. Seamless upgrade to Easitrax Connect with the SC Advance Bill Validator. Integration with any slot or CMS. Supports all industry protocols.
