Ready For A Black-Out?

CasinoTech Is Proud To Announce
Our Newest Partner, CyberPower.

Protect your Slot Machines and sensitive electronics during power surges and blackouts with an Uninterruptable Power Supply (UPS) system.

Intelligent UPS systems from CyberPower are designed with line interactive or standby topology and offer guaranteed power protection for slot machines, desktop computers, workstations, routers, and modems. They provide simulated sine wave battery backup power during outages, maintain steady voltage during brownouts, and offer surge protection against over voltages and power spikes.
