DISCLAIMER: Prices and Product Specifications

The prices shown are single item list prices and can be reduced further with quantity. Prices may also be changed without notice due to unforeseen cost increases of imported products or currency fluctuations. We carefully check pricing and product specifications, but occasionally errors can occur; therefore, we reserve the right to change both without notice. Some variations between pictures and products may occur. All items are subject to availability. We will do our best to inform you as soon as possible if the goods you have ordered are not available or if shipment may be delayed. We occasionally run promotion prices as incentives or limited time opportunities for qualifying purchases made during the promotional period. Due to the time-sensitive and promotional nature of these events, we are unable to offer price protection or retroactive discounts or refunds for previous purchases in the event of a price reduction or retroactive discounts.
