# About the scholarships

A part of an initiative to expand opportunities for women in the transport industry, Transport Women Australia Ltd together with our sponsor Daimler Truck Australia Pacific are offering five scholarships to the value of \$1600 to women who wish to diversify and expand their knowledge and ability in the transport industry.

The scholarship requires the female applicant within the industry to undertake a course, which will expand their knowledge and ability to enhance their careers.

This opportunity is open to all woman of any level of seniority or experience.

Applications open: NOW

Applications close: 5pm EDST 31.10.2023

## Criteria

- You are a woman in the transport industry who can demonstrate a desire to progress your career
- Consideration is also given to women who want to enter the transport industry.
- You are an individual member or an employee of a corporate member.
- The course undertaken can be taken with any registered training organisation within Australia, which provides training courses suited to the transport industry.
- You must be an Australian resident.
- The course must be undertaken within the 12 months after being awarded, bi-monthly updates will be required, and proof of successful completion provided.
- You must have written approval from your employer acknowledging they agree to you applying.
- The application must be completed and submitted in full or the application will not be considered.
- Payment of the \$1600 will be made directly to the RTO
- A resume, photo, copy of the course outline and completed application will be required.

## FAQs

### **What will the selection committee be looking for?**

The committee will be looking for obvious benefits to your career by undertaking your selected course.

### **Will I have to attend an interview?**

Because of the scope of the scholarship across Australia, you will be judged on your written submission, but we may also conduct an online or phone interview.

### **When will I know if I have been successful?**

Scholarship winners will be announced at the Transport Women Australia Ltd end of year function in your relevant capital city

### **Can I apply again next year if I miss out?**

Yes, you can

### **What if my desired training course costs more or less than \$1,600?**

If it costs more, you need to be able to provide confirmation of enrolment and be prepared to cover the cost gap yourself. If your training course costs less, we will pay for the cost of entirety of your course.
