

Environmental, Social and Governance Conference

29 OCTOBER 2021

Victoria University Business School and Institute for Sustainable Industries & Liveable Cities

Melbourne, Australia

The Victoria University Business School and Institute for Sustainable Industries & Liveable Cities with the support of CMA Australia is hosting a research conference: ‘**Environmental, Social and Governance for sustainability**’ on Friday the 29th October 2021 (Hybrid Event).

We invite papers /abstracts that investigate Environmental, Social and Governance (ESG) issues such as ESG reporting, assurance, regulations, UN sustainability goals, ESG measurement, circular economy, investor expectations and involvement of different sectors including not for profit and public sector. This year, the conference will also focus on the impact of COVID 19 and future priorities.

Presenters will have the publication opportunity of a special issue of a journal to which the selected papers may be submitted
