Please be aware that the shuttle bus from Southampton Central Station picks up from the South Side of the train station (Platform 4 side / Western Esplanade) and both shuttle buses drop fans at Britannia Road, just outside the stadium. The return journey also leaves from Britannia Road.

Cycling is a quick and reliable way to get around Southampton on matchdays. The football club has free parking facilities at the stadium.

If you're coming on a bike or motorbike, please note that our bike racks and motorbike bays can be found at the front of the North Car Park, closest to Britannia Road.

If you're traveling by bike or motorbike you should enter and dismount at the stadium's North Car Park and liaise with security on entry. Road closures will be in place from 90 minutes before kick-off so entry will be denied for motorbikes only after this time. Cyclists will be permitted entry after this time but should prioritise pedestrians. The closures will remain in place until about 20-minutes after the final whistle.
