

AG WORKERS AVAILABLE NOW!

**Pickers / Packers / Farm Hands / Trades / Drivers & Operators /
Technical Specialists / Managers / Professionals**

CELOTTI Workforce is a LABOUR HIRE company servicing regional and remote QLD agribusinesses.

A number of our valued clients have recently had to lay-off workers due to COVID-19 and these workers are keen to redeploy into the agriculture sector ASAP. Workers are well known to us and thus we can verify their work ethic and relevant/transferrable skills.

Our workers are:

- Reliable and punctual
- Experienced in ag sector, or have verified transferrable skills
- Local to region, or accommodation can be arranged as required
- Physically fit and able
- Available as labour-hire (on our payroll) or direct-hire (your payroll) or as managed contractors/entire team/s.
- Keen for immediate start!

Our Team is on standby to provide support to your business in whatever way you need. We are used to working remotely with our clients who are spread far and wide across the state (and country), so we are well set-up to continue to provide our services at 100% capacity, whilst we adhere to social distancing requirements.

We look forward to talking with each of you individually to devise a workforce plan and ensure the ongoing operation of your enterprise during this difficult time.

For discussion and to obtain details of workers currently available in your region please call our Workforce Specialist - Vilisi James on 0402 044 103 or email vilisi@celotti.com.au
