

June 8th, 2021

Dear Boulder City Chamber Investor,

It is time to update the official Boulder City Map! This will be the first re-creation of the publication since 2009, so be sure to get your ad space reserved before they are sold out! The map will be in full color with several upgrades and added features. All new streets in Boulder City will be included. This is the only Boulder City map in production with the BC Chamber handing out hundreds on a monthly basis. Maps are also supplied to Chamber investors such as Realtors, Restaurants, and Historic District shops. The prices are listed below. Should you require assistance with ad creation, we will connect you with a professional at an additional cost of \$60 per ad. In order to be included, Investors in good standing will need to have their reservation sheet, fees paid in full, and artwork turned into the Chamber office by July 30th, 2021.

Single Size Ad (business card size)

Front of Map - \$325

Back of Map - \$300

Double Size Ad (double size of single)

Front of Map - \$600

Back of Map - \$550
