

### [Sign-up for 3rd annual Minnewaska Area Schools Day of Caring](#)

The third annual Day of Caring, on Wednesday May 5, is an event where students, staff and volunteers representing Minnewaska Area Schools (MAS) give back to our communities for everything they have given us!

Students and staff of MAS are seeking those who would like our help. Senior citizens, homebound individuals and those living in the Glenwood, Starbuck, Lowry, Villard, and surrounding areas who need assistance completing outdoor household projects are encouraged to apply.

In an effort to engage all students and staff safely, the district will be operating the Day of Caring in a manageable and safe manner during COVID and will be compliant with all health and safety guidelines and social distancing recommendations.

Projects must be able to be completed within a five-hour time frame by a team of high school students and adult volunteers.

Projects may include window washing outside windows on a ground floor, raking yards, cleaning up gardens and/or flower beds, or another outdoor project.

Homeowners must be at their home while the team of volunteers works on their project.

Those who apply and whose projects are accepted can expect a team of student and adult volunteers to arrive at their home between 9 am – 2 pm on May 5, the Day of Caring.

To register, complete the registration form below, making sure to describe the project fully so volunteers know what needs to be done and how long it takes.

Mail completed forms to: Minnewaska Area Schools, attn: Angie Van Zee, 25122 State Highway 28, Glenwood, MN 56334.

For more information, call the high school office at (320) 239-4800 or e-mail Minnewaska Area Schools at [dayofcaring@isd2149.org](mailto:dayofcaring@isd2149.org).

Project assignments will be based on the order in which they are received. Not all applications are guaranteed to be part of the Day of Caring event.

Volunteers will work on projects rain or shine. In case of severe weather, cancellation information can be heard on local radio stations.

Registration forms must be postmarked by Friday, April 30 to be considered.
