WELCOME TO GLENWOOD

Kay Blauert, Executive Director

Greetings Newcomers,
Welcome to the Glenwood Area!

It's time to bring back our Newcomers News & Notes Newsletter, which we hope gives you a quick and condensed idea of what is happening in the Glenwood Area.

If you are new to the area in the last five years, we consider you a Newcomer. If you've been with the Newcomers Group since we started in 2019, we invite you to continue meeting and attending Newcomers events.

The Welcome Visits and the Newcomers Group are two programs that I work with as the Director of The Glenwood Lakes Area Welcome Center, along with community events and activities, promoting and marketing Glenwood as a tourism destination and also as you know, a great place to call home.
