Member Catalog

An individual catalog is a unique way for members of the Ottawa Chamber to show off their business. A designated designer will work with you to turn your online directory entry into a 'mini website'.

Located in the membership directory where member businesses are currently listed, this addition will give viewers a deeper look into your products and services. With functionalities like online ordering forms, video profiles for promotion, and a gallery to upload photos.

Once created, you are in control with access to an online dashboard to view statistics, add coupons, post job openings, create events that will get published on the Chamber's calendar, and make additions or changes to your catalog down the road. This is one more way the Chamber markets your business. Give us a call (785-242-1000) or email (chamber@ottawakansas.org) the Chamber for more information on this member benefit.
