OCDE Project GLAD® NTC en español
Early Childhood Dual Immersion

Providing Effective Biliteracy Strategies for Dual Language Educators grades TK-3

Strengthen your dual immersion program through the implementation of OCDE Project GLAD® en español. In this training you will have opportunity to explore and examine the bridge between early childhood and elementary while learning OCDE Project GLAD® strategies. As you observe the classroom instruction in Spanish, you will discern how language is developed and extended throughout the day. Through intentionally designed active learning experiences, you will learn approaches and methods for supporting children in using language in both content and context.
