

## The Inside Coup Marketing Stimulus Package

As family owned businesses we have all been impacted by the Covid 19 crisis. Our passion is to help our small businesses thrive and survive this crisis. We have developed our own “marketing stimulus package” to assist you with spreading the word that you are open for business. We are offering local business up to \$500 stimulus package to help kick start your business! Be ready to get the word out for June that you are open and excited to serve the community. Call today for details.
