

## FUTURE BUSINESS LEADERS OF AMERICA

### Competitive Event Judge Recruitment

*Shaping the Future of our Business Professionals!*

California Future Business Leaders of America is currently recruiting judges for our high school competitive events program. In order to provide a valued program for our high school students we need business professionals who can provide quality evaluations of student work. There are two types of judging required for our program, pre-judged materials and in person presentations.

You may volunteer to do either type of judging, or both. Pre-judged materials will be sent to you via email or drop box along with a scoring rubric. You will be given a deadline to complete the evaluation of the materials prior to our February 22<sup>nd</sup> 2020 conference.

In person judging takes place on Saturday, February 22<sup>nd</sup> 2020 at Valencia High School in Placentia, California. You will be provided with a scoring rubric and an event prompt one week prior to the event. The time commitment would be approximately from 8:00 am until 1:00 pm (overall time dependent on the number of competitors).

Below is a list of the events that need judges. Some are pre-judged only and some are in person only and some are a combination of both. If you would like to volunteer to be a judge or would like additional information, please contact Samiya Hai or Joy Millam at [southerndirector@cafbla.org](mailto:southerndirector@cafbla.org).
