

Yorba Days 2020 | Taste 2020

June 25, 2020 | 4:00 PM | Press Release

As we approach another month of COVID-19 concerns, The Yorba Linda Chamber of Commerce has been closely watching the county's data. It is important for us to follow the state and local health official orders and guidance, which will help to protect all of us, especially the most vulnerable in our community.

We have decided to postpone our major events that draw larger crowds of people to the following year of 2021 when there is less uncertainty regarding the spreading of COVID-19.

Keeping our community's health and safety is our utmost concern.

Sincerely,

Susan Wan-Ross, IOM
Chief Executive Officer
Yorba Linda Chamber of Commerce
