Meet Your Ship:
Amadeus Silver III
★★★★★

The Amadeus Silver III is the newest vessel in the fleet. The cabin design plans are a new and forward-thinking part of the company's premium focus: the original cabin number of 90 will be reduced to 84 in order to create more space for larger cabins and public areas. The cabin bathrooms offer more space and special luxury furnishings. Cabins on the Mozart and Strauss decks have an innovative form of French balcony offering the option of making the panoramic window front (which extends across the whole cabin width) automatically drop-down so that the cabin becomes a balcony in itself. The 12 Amadeus Balcony Suites (284'), have 'walk-out' exterior balconies with their own seating groups, enormous panoramic windows and comfortable bathrooms.
