- ▶ Insights in real time

Content

Content is endorsed by Cambridge Assessment International Education and questions are developed to comprehensively cover the learning objectives of the latest Cambridge Primary curriculum framework. It is also clearly structured and spiralled across the levels to ensure a gradual build-up and review of skills as students progress up the stages. At the same time, emphasis is given on developing pupils' problem-solving skills, critical thinking, as well as other 21st century skills.

Cambridge Assessment International Education

Levels: primary

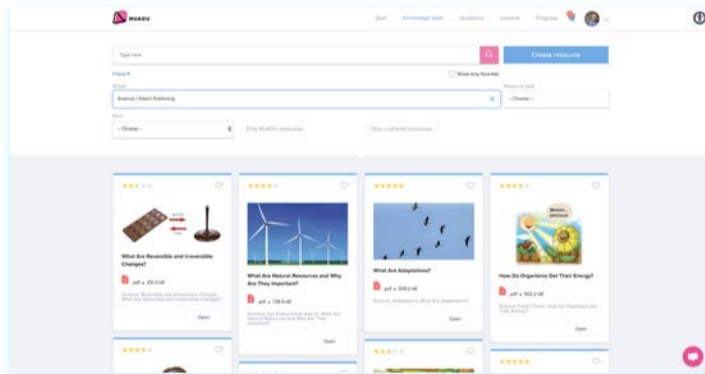

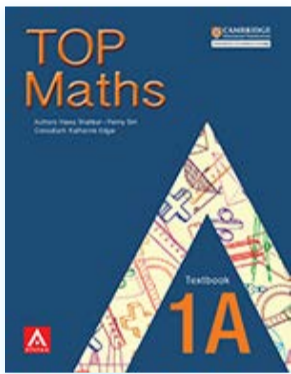

Grades: 1-6

Usage: formative assessment for schools following Cambridge Curriculum

Content provided by: Alston
