

**NORTHRIDGE 2022**

## **ACKNOWLEDGEMENT OF COUNTRY**

In the spirit of reconciliation, RAW Impact acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

# WELCOME TO THE TEAM

We can't wait to experience a week on Murrawarri Country with you. It's going to be an incredible journey and we know that as an individual and together as a team, you're going to learn and grow a lot over the trip.

We encourage you to come with an open mind as we listen and learn together and explore this beautiful country.

Reconciliation starts with us, as individuals. Take time to build relationships, listen to stories and understand our shared history. Learn what each of us can do in our own communities and circles of influence to build a better future together.

There's so much to learn and we can't wait to begin the journey with you!

# ABOUT RAW IMPACT + ON COUNTRY

RAW was established in 2013 by Troy and Nicole Roberts (pictured) as a nonprofit focused on creating lasting change.

Since then, RAW has been working in Cambodia alongside local communities and volunteers to build safe housing, create employment opportunities, provide quality education and establish sustainable solutions. Today, RAW Impact currently employs 18 Khmer staff in Cambodia.

RAW's partnership with the Murrawarri nation aims to create lasting change for the Murrawarri people and for reconciliation. We are proud to partner with the Murrawarri elders and are passionate about seeing their nation achieve their nation goals.
